FROM THE  
BOOSTER CLUB

## WE THANK YOU

Shortly after the last "Extrablatt" was published, the families around Katharina Beier and Judith Heinz made a start and provided the first books, CDs and magazines to the school library. Little by little, more and more children are now bringing new reading material and CDs for the library shelves. On behalf of everyone involved, we would like to express our sincere thanks to all those who have donated so far or would like to do so in the future. The book advent calendar has been a great success and now the magical animals are entering the last week together with Lotta.

## ALBANI ROCKS! ON 24.06.2022

It may be surprising for one or the other that we are trying to have a festival in these rather stormy times. But at this point we are not only hoping for an improvement of the situation in the coming weeks and months, but of course we have also looked at the past June, which could have allowed some musical fun. So that we together as friends and families of the Albani school children have a great time, helpers for all areas are still cordially invited to participate. Some have already been found, but there can be many more!

### WHO TAKES PART?

## THE YEAR COMES TO AN END

Now there are only a few days left until it gets quiet around the school. Many will enjoy one or the other treat in the circle of their loved ones and perhaps also warble a few songs. We wish all children, parents, families, friends and of course the teachers and all other hard-working staff a happy holiday season and a good start into the year 2022!
