FROM THE  
BOOSTER CLUB

## ENROLLMENT

The enrollment of the children of the new 1st classes will take place on

**Saturday, 27.08.2022**

will take place. In order to provide for the physical well-being of all guests on this special day, the children of the then 2nd classes traditionally bring the cake. Alternatively, we will gladly accept sandwiches, pretzels, fruit or other suitable treats for the occasion.

In order to ensure that the buffet is sufficiently filled, we are dependent on at least 5 cake donations per 2nd grade class (organization takes place within the class). These can be delivered to the school from 08:30 on the day of enrollment.

The parents of the children of the then 4th classes will take care of the sale. We ask each class to nominate 4 helpers, each of whom will work for 1 hour. The Förderverein will make coffee and provide cold drinks for sale.

The registration "Helping Hands for Enrollment" can be sent by e-mail to the booster club or entered directly into the Xoyondo helper list:

1. [Foenderverein.albanischule@outlook.de](mailto:Foenderverein.albanischule@outlook.de)
2. [Helferliste zur Einschulung am 27.08.2022 - Xoyondo](#)

## RETURNING BOOKS TO THE LIBRARY

We ask all children to return books, games and CDs from the school library before the vacations begin. You are of course welcome to borrow them again after the vacations!

## END OF THE SCHOOL YEAR

For some it was now the last year at the Albani School. After the ups and downs of the past years, we still have a few great days with really good events at the end of school. After the successful soccer tournament and Albani rocks! we will climb the Herberhäuser Stieg together.

We hope that you had a great time at school and that we, as the booster club, were able to make you happy. We wish you all the best and much success for the future and for all new challenges!
