FROM THE
BOOSTER CLUB

WELCOME!

We are happy to welcome the children of the 1st grade together with their families at the Albani School! During the enrollment ceremony on August 19, you already got a foretaste of what we, from the Friends of the Albani School, help to create.

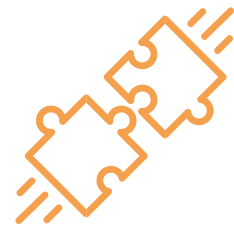

Thus, a varied buffet could be offered, which the parents of the children of the current 2nd classes have magnificently prepared and the parents of the new adults have enthusiastically distributed.

Many thanks to all who contributed to this great day!

THE BOOSTER CLUB

At least once a year the association meets in a general meeting to review the past year and to discuss future activities.

Important and exciting discussions have always taken place in a very pleasant and relaxed atmosphere. We will provide nibbles and drinks, so that well-strengthened the opportunity can be used to get to know other parents and especially the support association, closer.

Therefore we invite all members, but especially all interested people (also non-members), who want to get involved, network or just want to be part of it, on

October 11 at 5 p.m. in the auditorium of the Albani School.

For the first time. The official invitation is attached.
