FROM THE  
BOOSTER CLUB

## BOOKS, GAMES AND MORE

In recent weeks and months, a lot has happened in the school library. For example, the Friends of the Library have worked to increase the stock of books and have supported this financially. Many donations have also been received from parents. In conclusion to the big restocking campaign, we are happy to comply with the school's wish to expand each class library by two titles:

1. Das große Ravensburger Tierlexikon
2. Das große Fischer Länderlexikon für Kinder

In order to fulfill the children's book wishes in the future, we are entering into a cooperation with the children's bookstore Baghira. This gives the children the opportunity to make book requests in the school library, which will be added to a wish list and delivered to the school library when available. We are looking forward to the cooperation!

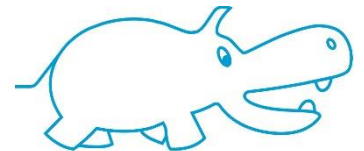

## SAVE THE DATE

The roof of the playhouse is a bit outdated and the storm has also contributed to the fact that it needs some work. Therefore, we invite all parents and children to join us in putting the roof back in order. We ask for a registration by e-mail, so that also enough food and drink can be provided. Tools and building materials will be provided by the association.

**DATE** 23 April 2022 (In case of rain or bad weather on 30 April.2022)  
**TIME** 10 a.m.

## ALBANI ISST LECKER

The beginning has been made! The first recipes have been received and some of them have already been cooked and rated as "really tasty" by the children. We would like to continue on this path and hope for even more participation. Recipes can be submitted in any form by e-mail: As a photo, handwritten, as a link to a website, designed on a computer, or whatever else is possible. Those who wish can also request the recipes received so far in advance. We will be happy to send them by e-mail.
