FINAL SPURT IN SCHOOL YEAR 2022

After a very eventful school year, we are approaching the summer vacations. But before one or the other family goes on vacation, we have some plans:

Soccer tournament at Jahnstadion 08.06.2022
8.00–12.30 o'clock

Many hardworking hands have been found to provide drinks for the children. A heartfelt thank you for this! Another highlight will be the 10th anniversary of the

Albani rockt! On 24.06.2022 from 15.00 – 19.00 o'clock

Traditionally, the Förderverein organizes this festival, but at the same time depends on helping hands of the parents. There are various booths to be manned, such as the beverage stand, the buffet, the clothing sales booth and some more. At least 3 people are needed for each booth, as well as for set-up and take-down. A list of helpers will be sent out via the email distribution list soon.

To help satisfy hunger, please bring something **per class 10 people** that is easy to hold. Savoury or sweet items are welcome. Each family will provide their own silverware and cups. We look forward to a great party with lots of live music, good cheer and hopefully nice weather!

The conclusion of the school year will be the

Hike to the Herberhäuser Stieg on 08.07.2022

For all children and teachers who make the climb, there will be, among other things, grilled food from the booster club to revive the forces.
